

FAPEL Information for Results Analyzer Workshop 01.23.12

Purpose: To provide college and university faculty the opportunity to field test the Results Analyzer system, and provide feedback to Department and Pearson staff in attendance.

Date and Time: January 23rd. 2012, FAPEL Session 8:30 to 12:00pm

Place: Florida Department of Education, Turlington Building, 325 W. Gaines St., Tallahassee, Florida; Room B2

What is Results Analyzer?

Results Analyzer is a data delivery and research tool that will be provided by the FTCE/FELE contractor, Pearson to Florida colleges and universities in 2012. Results Analyzer will allow programs to do the following:

- Access multiple years of test and registration data
- Aggregate data over time
- Filter data by program year, test, demographic information, and examinee responses to background questions
- View, download/export data, and print reports
- Run pass rate analyses and retake analyses
- Create customized reports
- Analyze and compare data to statewide results

Spaces are limited to 20 faculty.

Please respond to Phil Canto at phil.canto@fldoe.org to reserve a slot in this workshop.

Once attendees are identified, the Department will send out further logistic information (security, parking, etc.) directly to confirmed attendees.
